Wednesday	23 June	Kiwi team to Botanical Gardens
Friday	2 July	End of Term 2

Tena koutou katoa. Talofa. Greetings.

Welcome to Eli, Hunta, Ria, Zaria & Julien

June already! Yes winter is here, but please don't let a bit of rain and cold stop you from sending your children to school. The Friday before last was our first really rainy day and we had 60 children away. Some were sick sure, but the rest?

Our Friends of Glen Eden group needs new members with exciting ideas and lots of energy and enthusiasm. In particular we need helpers for our sausage sizzle on Thursday 10th June, (approx. 10am till 2pm) and also people to help in the kitchen, on the door and with activities at the school socials on 24th June. The socials run from 3.30pm through till 8pm. Kiwi and Pukeko teams' social is from 3.30pm till 4.45pm. Takahe's is from 5pm until 6.15pm and Tui team's from 6.30 until 8pm. If you could help out during your child's social we would be very grateful. Please leave your name at the office or send a note with your child if you can help. The more the merrier!

In order for you to have the opportunity to learn more about the Friends of Glen Eden work, and to get to know the people who are already part of it, we would like to invite you to share a cuppa in the staffroom at 2.15pm this Thursday 3rd June. This is not a meeting, just a social occasion.

Thank you to Teremoana and the Twin Streams team for organizing the planting days. I watched the first lot of children leaving yesterday morning,

very excited about their venture. When I went down to the site, it was fantastic to see the older children helping the younger ones. For some Room 2 students it was their first day at school. What an awesome way to start school! Thank you to the many parents who accompanied the students. The site is on West Coast Rd, opposite Woodglen Rd. It's very visible from the road, so if you are passing that way have a look at the great work GEPS students have done.

A word from Teremoana and team: "Please pass on our thanks to the teachers and kids for their fabulous work today"

The planting day for the other classes is Monday 14 June.

I went with my Grand daughter to Circus Quirkus on Sunday morning and thoroughly enjoyed it. I know that many of our families also enjoyed the circus over the weekend. Our thanks to the Newmarket Rotary Club for making this possible.

This Thursday evening (June 3) there will be an official "switching on" of the Floodlights at The Trusts Stadium, Douglas Track and Field. The All Blacks have agreed to a public training session and autograph session to support this followed by some local athletic and rugby events including the Waitakere City Rugby Club vs Eden U-19s match. From 5:30pm.

The next Board of Trustees meeting is on Monday 14 June @ 6:30pm

Yours sincerely

Linda Mayow
Principal
