Glen Eden Primary School: Growing Inquisitive Minds

Tena koutou katoa. Talofa. Kia Orana. Malo e lelei. Bula. Fakaalofa Atu. Greetings

Welcome to Euston & Fetu.

Don't forget to vote this Saturday. Our hall is being used as a polling station if you are wondering where to vote.

Our working bee to set the framework for our raised gardens and compost bins is on this Sunday 27th from 9am. Thank you to the people who have already indicated that they can help and a special thank you to our two 'bosses' Mr Pavlovich and Colin Blakeborough. . We need builders, builders' mates, tools, weeders and gardeners. It will be a great day of fun for us all.

Yesterday the whole school was involved with Athletic Sports. The teachers were all complaining of being tired this morning and they weren't even running!! Miss Kirk is in the process of selecting the school team for the interschool competition next week. Congratulations to all.

Thanks to the children, staff and families who supported the Glen Eden Primary School 'float' at the Glen Eden Santa Parade on Saturday afternoon. I was very pleased with the turn out. The whole parade was a credit to the organisers this year.

We will be holding our annual Helpers morning tea on the morning of December 7th. Invitations are being sent out but if you have helped the school in any way this year and have somehow missed your invitation please feel free to come along.

Miss Barrington reports: Last week our Travelwise Launch was a huge success, thanks to all involved. Over 150 children met at the drop off points and walked to school, accompanied by parents and teachers. Our mass jump jam was fun, as was the performance by the Polkadots. Congratulations to Vena, Kereama and Faasoo, the winners of the \$40 grocery vouchers. Their families must have had a wonderful surprise when they got home. Also congratulations to Toni and James who won the art competition. Thanks to all the parents who attended the Walking School Bus meeting. We look forward to starting these buses soon and will be in touch. The GEPS Travelwise plan is available for viewing in the office. We look forward to working together with you all to make the journey to and from school safer and more sustainable.

You will have noticed the works at the back of the Junior Block. The concrete block for the Dental Caravan is being prepared. Soon the Dental Clinic as we know it will be closed and the Caravan will come on site when necessary.

The Christmas raffle is going to great and all donations are gratefully received. Drop off any cans, packets, bottles or grocery items to the school office.

Principal

**The Walking School Bus leaves school at 3:10 every afternoon from outside the staffroom.
It crosses the children over Clayburn Rd, over the tracks and across West Coast Road.**
