Nau mai haere mai ki Glen Eden kura Ario

What a fabulous junior athletics day last week. So great to see our smallest tamariki out there giving it a go! Fabulous weather and great whānau support. Thanks so much to Julie Austin and the Kiwi team teachers for the organisation and thanks to Casey Bellingham and senior students for assisting with the event.

The Mayow fun day is coming! We are planning on bigger and better this year. It is scheduled for the 6th of December. We need loads of parent volunteers and help for this day of waterslides, swimming, bouncy castles and the like. Please let Kathryn Arbon or I know if you can help. We need as many people as possible.

Good luck to our choir who perform at the Town Hall tomorrow evening. They have worked hard all year leading up to this performance. Mrs Chettiar has done a great job of training the choir and we are looking forward to the performance. Ms Barrington keeps in touch with GEPS and will be at the performance to see the choir perform too.

Yesterday Mr Pavlovich has reported that he thinks the cause of the swimming pool leak has finally been detected! This has been months of investigation and several companies have been involved. Hopefully this is it, the pipe can be replaced, the holes can be filled back in and the pool can be filled and used again!

Congratulations to Mariah Chettiar and Monica Topia who are both now fully registered teachers. They will be acknowledged for their hard work over the last two years at a ceremony at the Trusts stadium on Thursday afternoon. We are so lucky at GEPS to have quality teachers like these two.

Last weeks Proud pupil prizewinners were the amazing senior students who were wonderful helpers for the junior athletics day.

Ngā mihi mahana
