Term 3: Topic Focus

Nau Mai Haere Mai, Tabofo Lava and Welcome Back to Term 3! We hope you are all well rested and the terrible colds that hit many at the end of Term 2 have now passed.

In Term 3 the school wide Topic focus is on Visual Art and in particular New Zealand flora and fauna: Ngāi tipu Ngāi Kīrehe. We are lucky that beautiful Aotearoa provides us with a natural world full of rich material for us to explore through visual art.

Other Notices from Kiwi Whānau

In week 3 we will be holding our popular Student Led Conferences. This is a wonderful opportunity for students to share their learning with their whānau. We will be sending information about how to book for these in the coming weeks.

In week 5 Kiwi Team will be going on a trip to Gymnastics Waitakere. During this week we will also be holding a Knowledge-athon to raise money for the school. Again, we will send out information about both of these closer to the time.

In Week 10 we will be holding a whole school Art Exhibition. This will be an exciting opportunity for students to showcase the wonderful art they will have created in class.

In maths, at the start of the term, students will be learning about Geometry and Measurement and in particular exploring Shapes.

As always remember the importance of reading with your child every night. Please see your child's teacher if you require support in this area.

Finally, remind you child to bring their bookbags to school every day.
