

Glen Eden Primary School

29 April 2020 - Week 3 - Newsletter Number 10

Kia ora GEPS whānau and welcome to Week 3 of Term 2

I am sure we are all together in hoping that Level 3 is soon over and we can return to something a bit closer to our normal lives soon. Some of this newsletter is a repeat - in case you missed last week and also because not a lot has changed from Level 4 to Level 3 in terms of your child's learning.

For any queries about learning please contact your child's teacher in the first instance.

A reminder that for specific logins please contact:

Matific - please email alanam@geps.school.nz for logins or for help with the programme

Stepsweb - please email lizc@geps.school.nz for logins or for help with the programme
Reading Eggs - some students have log ins for this. Please contact your class teacher if you are unsure.

If your child is in **Takahē or Tui** and you would like access to **Reading Eggs/Reading Eggspress** please email ngairew@geps.school.nz. This programme is a cost to the school so we need to register and pay for this before a student can access the programme.

If your child is in **Kiwi team** and you would like them to also access **StepsWeb** please email lizc@geps.school.nz and she will send you log in details.

We understand that the Sunshine classics site crashed this morning - hopefully it will be up and running again soon.

Devices

We have now sent out all of our chromebooks and hope that having a device has made life easier for all of our Tui team students. We can see that many of you got onto your online learning immediately which is great. All students who indicated originally that they needed a device are still on the MOE request sheet.

Hard copy learning packs

A lot of students have now received these. We do not know who has or has not received these and do not get any information about when they will be delivered. We did order a hard learning pack for every student in the school. We have heard anecdotally that there have been some mix ups with the system, which is understandable given the huge amount of data that the MOE is working with.

Please continue to ask any questions via email to either Kathryn or myself should you need to - Kathryn Arbon - kathryna@geps.school.nz or myself on donnas@geps.school.nz.

A few of us are at school but we miss the noise, the laughter, the playing of games, the rest of the staff and all of our tamariki. Roll on Level 2!

Kia kaha - Be strong
Kia haumarū - Be safe
Kia mākohā - Be kind
