EMPOWERED PROUD STUDENTS

WHANAUNGATANGA

AKO

MANAAKITANGA

KAIRANGI

Kia ora GEPS whānau

A huge welcome to all new students who are now enrolled at GEPS. We hope to be able to welcome you both on site very soon.

Welcome back to everyone else in our GEPS whānau for a hopefully short online stint before we are all back at kura. Your kaiako will be in touch about learning for the next two weeks. Also keep an eye out for team assembly times - there will be prizes and rewards given out over the next few weeks for online learning. Details will be sent by class teachers.

Learning Packs were re-ordered for all year levels during the holidays. These are new learning packs. We hope to hear very soon that they will be arriving. We will contact you as soon as we get them so whānau can pick them up.

Congratulations to the following students who have done well in the University of Canterbury tests.

English:

Achieved: Sia, Alice, Manea, Summer, Jayden, Keita,

Merit: Izayah,

Excellence: Lucy, Anya

Maths:

Achieved: Carter, Izayah, Jayden

Merit: Anya

Science:

Achieved: Jayden

Excellence: Anya

All of these certificates will be presented once we are back at school.

We are starting to put together classes for 2022. While teachers and rooms are yet to be assigned please send us any requests for next year and, as always, we will do our best to accommodate these. Please email kathyrna@geps.school.nz or domnas@geps.school.nz

If you have a Year 6 student they should be enrolled at the intermediate school they will be attending next year. Please email kellyf@geps.school.nz if you have any questions or need assistance with this.

It is nice that the sun is shining at least. We are hopeful that we can soon enjoy it together - Grant is preparing the pool in anticipation!

Stay safe and please get in touch with us if you have any questions or if we can help in any way.
