

Glen Eden Primary School - Newsletter

Number 19 - 25 June 2019 - Week 9

Nau mai haere mai Sehaj.

Mrs Thorby and Mrs Bergs have been doing an amazing job making our library a great place to be. They are ably assisted by the GEPS librarians who are Cameron, Jaelyn, Tarja-Lee, Sajida, Joe, Erika, Savannah, and Yoshi. Lots of our students have already had input into book selection and purchases. The library is open every lunchtime with many different activities to do. This week there are Matariki activities each day.

On Wednesday we are having a whole school Matariki feast. Each class will be preparing kai to share and we will eat together as a school. We would love any help from whānau. Please contact classroom teachers. To save on adding rubbish to landfill we are asking that every child brings a plate or a container and a fork. Using a lunchbox instead of a plate to put kai into would be fine. It would be helpful if containers and utensils are named.

A huge thank you to Stephanie Julian who has taught in Room 12 this term. We have a new teacher, Charlotte Veacock, starting in the classroom in Term 3. Charlotte will be here till the end of the year. Miss Julian will still teach in Room 12 one day per week.

Well done to all of the Tui team students who braved the cold for our annual "Break the Ice" swim. A lot of fun was had by all who took part. Many students stayed playing happily as if it was still summer time. Ka mau te wehi!

Thanks to everyone who came in last Friday to see students working in their rooms. It is nice to have whānau in during working times. Because of the open afternoon, there was no assembly. This Friday, there will not be an assembly as all of the Year 5 students are going to the zoo and all of our Year 6 students are going to Kelston Intermediate for the day.

Ngā mihi mahana

Donna Soljan
