Nau mai, haere mai! Welcome back to Term 4!

We hope you have enjoyed some time with your whānau over the holidays and are well rested ready for Term 4.

Term 4 is super busy for Tui Team with Electives, Year 6 dance practices, Interschool sports and preparations for end of year Prize Giving.

Mathematics

Our maths strand focus for this term is Geometry and Measurement and Number and Algebra. Tamariki are learning about patterns and relationships, coordinates and the language of direction and distance. Our Number focus is Multiplication and Divisions followed by Proportions and Ratios.

Health and P.E.

This term's focus is on Athletics. On Wednesday afternoons Tui students will rotate through a selection of athletics activities, including long jump, high jump, discus, shot put and sprints. We will hold our senior sprints at school on the morning of Friday 4 November. We also expect to have class swimming later in the term. There are a range of interschool sports for our students to participate in including: soccer, cricket and athletics.

Year 6 Dance

To celebrate our Year 6s we will hold our Year 6 dance on Thursday 8 December. In preparation for this our tamariki will have 10 dance lessons with a local dance teacher. More information regarding this will come home soon. During this time our Year 5s will rotate through a range of team building tasks in preparation for being our new Year 6s.

Electives

During Weeks 5-7 tamariki will participate in electives. They will choose from a range of activities from Maori crafts, to baking, or coding. Once placed in a group students will have 5 sessions of their chosen activity.

Intermediate

With the end of year fast approaching it is important that all our Year 6 students are enrolled at intermediate. Enrolments for Glen Eden Intermediate are done online. Enrolment forms for Kelston Intermediate can be picked up from their school office. Please let us know if you need any help filling in your child's enrolment form. We are only too happy to help.
