

Nau mai haere mai Lexus and Romeo.

Wow this year is really racing by - just two more weeks left of this term and then we are into the final term of 2019.

Thanks to everyone who has already purchased tickets or donated prizes to our Boogie and Bingo evening. All money we raise directly helps our tamariki - we really appreciate the support we are getting for this event. There are about 100 people who have already purchased tickets but there are still a few seats so see Dianne at the office. We would truly LOVE to see you there.

You may have noticed extra adults in our classrooms and playgrounds. We are lucky to be able to host trainee teachers throughout the year. This gives extra resource to help our tamariki and we enjoy being a part of developing our future educators. We also have tutors for kapa haka. In addition we have several people who have come to take sports lessons. We have soccer skills every Friday throughout the year.

Our senior playground is still going ahead but will not be built until November due to a hold up with some parts. We are excited that this will be happening before the end of the year.

On our whānau survey we asked whether the pool would be utilised by our community if it was opened over summer. The results were very positive and we have teamed up with Sport Waitakere to endeavour to have the pool opened with lifeguards for some time over the summer months. We would like this to become a regular offering. It was also clear that whānau rate upgrading the pool changing sheds as the top property priority and so the BOT will be considering this when reviewing our budget.

Ngā mihi mahana
