

Permission Slip - Riding To and From School

We take the safety of our students who ride a bike to and from school very seriously and want to make sure that they travel safely.

By giving your child permission to ride a bike to and from school, you need to carefully consider the following and discuss it with your child:

- Students using scooters, skateboards, or skates must be considerate, give way to other pedestrians and be aware of driveways.
- Students may not use bikes in the school grounds during school hours unless it is an organised school event.
- Students must place their cycles in the cycle stands.
- Students on bikes are expected to observe the road rules - hand signals, looking behind, mounting/dismounting, keeping well left, etc. Cyclists may not "double" other students to school.
- Each student on a bike must wear a Standards-approved cycle safety helmet and have a roadworthy bike.
- The police recommend that no child under the age of ten should cycle to school unless accompanied by an adult and we strongly support this recommendation.

If you have any questions or concerns, please contact the school office. Please complete the form below and return it to school.
