

2022-2023 GEPS achievement comparisons

Points to consider

- All data includes all ESOL students, all ORS and ICS students and all students with IEPs
- In 2023 130 students enrolled at GEPS and 118 students left (62 were Year 6 students)
- In 2022 106 students enrolled at GEPS and 106 students left (69 were Year 6 students)
- In 2023 we started BSLA teaching so our usual data collection method for reading has been altered and cannot be used for comparison
