

Glen Eden Primary School

30 June 2020 - Week 12 - Newsletter Number 19

Kia ora GEPS whānau and welcome to Week 12 of Term 2

Over the last few weeks lots of classes have been having fun doing experiments and learning about science. It has been great to see students doing hands on learning after our time away from school. It has also been great to see the GEPS tamariki laughing, playing, learning and enjoying life back at school this term. Thanks to all of the teachers and staff who have made sure that programmes have been up and running and have been making sure school is "normal".

Thanks to all of those who have helped with trips over the last few weeks. It makes a huge difference when we have lots of help and we are very appreciative of your support.

Our breakfast club is up and running and we always need volunteers for this. Please let us know if you have a spare morning where you can help. All students and whānau are welcome. Wednesday is a hot breakfast too. We also need volunteers for Garden to Table. Again let us know if you can help.

Tomorrow a newsletter from the Board of Trustees will be sent home which outlines building developments over the next wee while. There are lots of exciting things planned to ensure that GEPS is a great place to be for our tamariki.

This Thursday reports should all come home with students. They will be in envelopes in bags. Student led conferences will be held early next term and these will provide an opportunity to set goals for the second half of the year as well as to celebrate gains already made. I have enjoyed reading each child's report over the past few weeks.

Next term we will start another new entrants class in Room 2. Miss Toluaki and Mrs Dellow will be co-teaching in this class.

We hope everyone has a nice break over the next two weeks. Over the break let's hope there is enough rain to fill the dams and enough sunshine to be able to get outdoors. We look forward to welcoming everyone back next term for ten weeks of an arts focus.

Ngā mihi mahana
