

Glen Eden Primary

Takahē Team Newsletter, Term 4, 2019

Nau mai, haere mai! Welcome to Term 4!

Curriculum Focus Area

This term, the whole school will continue to focus on creativity in both The Arts and Technology with a minor focus on manaakitanga and ways we can give back as a group. How this looks will vary across classes and levels throughout the school.

Term 4 is always an exciting and incredibly busy term and we hope to be able to open the swimming pool once the weather warms.

Mathematics

We have started this term with 2 weeks of Measurement.

Tamariki are learning about measuring using standard metric units for length, volume, weight and temperature.

In Week 3 we will move back to Number with a focus on Multiplication & Division and Proportions & Ratio's for the rest of the term.

Health and P.E.

This term's focus is on Athletics. The Year 4 students and some of the 8 year old Year 3 students will be attending the senior athletics day at the Trust Stadium. The remaining Year 3's will have their athletics day here at school on a different day. (More details to follow).

Takahē Trip

In week 4 we have arranged a Year 3 & 4 local trip up to Sunhill Reserve. Here the students will find and identify minibeasts and birds, with the help of Frazer Dale, a zoo educator. (More details to follow).

Sunhats

As part of our sun protection policy, sun hats need to be worn when outside. It would be fantastic if all students had a hat at school so we can reinforce and practice being 'Sun Smart'.

Important Dates

October 21st Class and Individual photos

October 28th Labour Day – no school

November 8th Last day for reports to go home
