Number 11 - 30 April 2019 - Week 1

Nau mai haere mai Chase, Khyser, Boston, Aiman, Ada & Truth.

Welcome back to Term 2! It is great to welcome back Heather Dellow who returns to teach in Room 11. Thank you to Stephanie Julian who did an excellent job of teaching in Room 11 for last term. We are very lucky to have Stephanie available as she has agreed to teach in Room 12 for Term 2.

We welcome Rebecca Lange to our staff as our new art teacher. We are excited to have her on board. All new staff and whānau are invited to a pōwhiri on Friday 10 May at 9:15.

Teachers have been busy writing reports over the holidays and planning for Term 2. Lots of great events this term including Matariki and Tui team camp. A separate notice from Alana McKenzie has gone home to all Year 5/6 students about camp details. There are lots of students who are looking forward to camp and several staff members who are possibly more excited. It looks like the sun will shine so all is boding well for an excellent three days.

Due to having closed our roll for so long, and with the apartments a wee way from completion, the BOT have determined that we currently have spaces for students at all levels. Therefore, we will not be enforcing our zone for Term 2. The BOT will review this next term but, for now, we are accepting out of zone enrolments.

Well done to all of those students who had such excellent attendance last term. It was a record number of students who got to attend the movie session. Over half of our students attended school for over 95% of Term 1. Many students had a 100% attendance record. Ka mau te wehi!

A reminder that lunches can be ordered from Pita Pit every Friday. Details on how to do this are on our website. There are several new food options available online this term.

Remember that BOT elections are coming up soon.

Please make sure that your details are up to date at the office. This can be done via the GEPS app.

Ngā mihi mahana
