

Malo e lelei. Welcome to Tongan Language Week.

Well done to the Year 6 gymnastics girls who placed third in last week's competition.

Tonight we are holding another information evening. This one will be run by Netsafe and will focus on using digital technology responsibly and safely. It will focus on the practical ways that we can help young people be safe online. The evening will begin at 6:30 and should run for around 45 minutes. This presentation will be for adults. However, we will mind students in the library and will provide a pizza dinner for children.

We now have a change of school app and will be using Skool Loop app in the future. Details are on the back of this newsletter. This app will allow whānau to sign and send in permission slips for trips as well as all of the other functions of our last app.

A reminder that Year 6 enrolments should be in to intermediate schools so that they can start to plan for 2020. Glen Eden Intermediate out of zone applications must be in by tomorrow. Please see us if you need any help with applications.

The A-thon is going really well. The prize giving assembly is this Friday September 6th at 2:15 so tamariki have until then to get money to school. For every \$10 raised, students go into the draw to win prizes. This year we have LEGO, skateboards, scooters, a phone, a tablet and many other prizes. Money will be collected outside of the staffroom every morning before school.

Our other fundraiser is our Boogie and Bingo night. We have some fabulous prizes already for this night and are looking forward to it. Lots of tickets have already sold - we would love to see you there too. Please see Mrs Rayner at the office with cash or eftpos to book your space or fill in the slip below and book a space and pay online.

Ngā mihi mahana

Our wonderful school leaders have decided that this Friday will be **Pyjama Day!** It will be great to see as many students join in this fun day.

Last week's Proud Pupil Prizewinners are Meki and Austin. Last week we trialed playing some music in the playground and had a great response from our tamariki. Not only did these two boys have great dance moves they also included and encouraged all of those around them to join in and have fun. Ka pai!
