

Glen Eden Primary Takahē Team Newsletter Term 3, 2021

Nau mai, haere mai! Welcome to Term 3!

We hope you have enjoyed some time with your whānau over the holidays and are well rested for a busy term.

In Term 3 the school wide Topic focus is on Visual Art and in particular New Zealand flora and fauna: Ngāi tipu Ngāi Kīrehe. Each class has chosen a different aspect of this topic and are creating a piece of art for our week 10 Art Exhibition. We are lucky that beautiful Aotearoa provides us with a natural world full of rich material for us to explore through visual art.

Mathematics

We have started this term with 2 weeks of Measurement. Tamariki are learning about measuring using standard metric units for length, volume, weight and temperature.

In Week 3 we will move back to Number with a focus on Addition and Subtraction followed by Multiplication and Division.

Health and P.E.

Following on from the inspiration of the olympics, this terms focus is on gymnastics. On Wednesday afternoons the Takakē students will be participating in a range of gymnastics activities including, jumping, rolling and balancing

Student Led Conferences

Tamariki are working hard to prepare for their Student Led Conferences in Week 3. See the school newsletter about how to book your time if you haven't already.

Knowledge-a-thon

This term we are having a knowledge -a-thon fund raiser. The Year 3 & 4 students will have 20 questions to practice. Testing sheets will come home on 19th of August.

Takahē Trip

In week 1, Room's 5, 9, 11 and 15 had a fantastic trip to a Science Roadshow event. This involved several exciting demonstrations and the opportunity for hands on experimenting.
