

## Takahē Learning at Home

### Menu of learning for Week 2 Term 2 - onwards

The Takahē teachers have had a lot of fun putting together a Home Learning Menu for our tamariki. While some children will need you to read the tasks to them, we envisage that they can do most of these on their own, however all are welcome to join in. Tamariki can also still access their online accounts for

Steps Web, Reading Eggs (If they have one), Matific and Study Ladder if they have time.

For reading, teachers are using the Epic books logins to assign books near to your child's reading level and quizzes about these books. To find these assignments please get your child to check their mailbox when they log in.

**Scroll down to the next page for the Menu of Learning for Week 4 - 4th May - 8th May**

# Takahē Home Learning Menu

Week 4: 4th May – 8th May

Over the next week see how many tasks you can complete to show your teacher on Zoom!

<p><b>Write a thank you card or letter to an essential worker!</b></p> <p>Make a card or write a thank you letter to some of the wonderful essential workers (police, doctors, healthcare, supermarket etc.) To show them how much we appreciate them.</p> 	<p><b>Tower Challenge</b></p> <p>Find objects from around your house that you can use to make a tower. Stack them up as tall as you can. Does your tower stand taller than you? Take a photo of yourself next to your completed tower and send it to your teacher. Write about building your tower. Were there any problems along the way? Did you need help? Did all of the objects balance easily?</p>	<p><b>Create a Colour Wheel!</b></p> <p>Go outside and see if you can find lots of different coloured leaves and flowers. Use them to create a colour wheel like this.</p> 	<p><b>Have Fun with Music!</b></p> <p>Visit Chrome Music Lab online and have fun with soundwaves, rhythms, voice recorders and all the other fun stuff.</p> <p><a href="https://chromemusiclab.com/">Chrome Music Lab</a></p> 
<p><b>Ha Ha Ha!</b></p> <p>Write out and practice saying your favourite joke. Then make a video of yourself saying it and send it to your teacher. If you can't choose a favourite, write yourself a joke book!</p> 	<p><b>Sunshine Books</b></p> <p>Logon to Sunshine books at <a href="https://www.sunshineclassics.co.nz/">https://www.sunshineclassics.co.nz/</a> Record yourself reading the story. Your teachers are loving listening to you reading!</p> 	<p><b>Create your own quiz!</b></p> <p>Write a quiz of 5 – 10 questions about something you like. This could be a sport, an animal, your favourite cartoon or maybe a country you've been researching. Then get your family to have a go or try it out on your class at your next Zoom meeting.</p> 	<p><b>Appreciation</b></p> <p>Make a coupon booklet of vouchers to give to someone in your family who does a lot for you. These could be coupons for things like breakfast in bed, making them a cup of tea, or a back or foot massage. This would make a great present if you wanted to make something for mum for mother's day!</p> 

<p><b>Technology Challenge</b></p> <p>What is something cool you can make out of an old plastic milk bottle? You could try some of these ideas or think of your own.</p> <p><a href="#">Container</a>  <a href="#">18 ways to re-use your container</a>  <a href="#">Awesome Monster Container</a>  <a href="#">Piay Bank</a>  <a href="#">A ton of amazing ideas!</a></p> 	<p><b>Take a Perspective Photo</b></p>  <p>Can you write a story about it?</p>	<p><b>Halving Race ...</b> <b>How fast can you half?</b></p> <p>Write out these numbers ... 20, 22, 8, 10, 16, 6, 12, 18, 24, 14, 28, 4, 10, 2, 26, 8, 16, 20.</p> <p>Halve the numbers and write the answers as you go.</p> <p>Use a timer to see how long it takes you to get from the start to the finish. Once you have had a go and set a time, challenge someone in your bubble.</p>	<p><b>Hand Flower Card for Mum:</b></p> <ol style="list-style-type: none"> <li>1. You will need a black and a white piece of paper, glue the white onto the black.</li> <li>2. Draw, with felt/crayon/paint/colour pencil, 4 stalks together in the centre.</li> <li>3. Paint your hand and press it firmly down onto the paper above the stem, do this 4 times or as many times as you need for the amount of flowers you have put on.</li> <li>4. Get a piece of ribbon and tie it into a bow then glue (or tape) it over the stems.</li> <li>5. Write Mum a beautiful message</li> </ol> 
<p><b>MAY YOU</b> THE FOURTH BE WITH YOU</p> <p><b>STAR MATHS 2</b> MAY THE 4TH BE WITH YOU</p>  <p><b>How many can you work out??</b></p>	<p><b>Mothers Day things for you to do to help Mum ...</b></p> <ul style="list-style-type: none"> <li>• Make her breakfast in bed!</li> <li>• Go into the garden and pick her a bunch of flowers!</li> <li>• Do some of her chores!</li> <li>• Make her a cupa whenever she needs one!</li> <li>• Write her a letter of appreciation!</li> <li>• Tidy your room and the house!</li> <li>• Make a card</li> </ul>	<p><b>Star Wars</b></p> <p>May the 4th be with you!</p> <ul style="list-style-type: none"> <li>• Make toilet roll characters or light sabers</li> <li>• <a href="#">Death Star Craft!</a></li> <li>• Science project: <a href="#">Erupting Death Star!</a></li> <li>• <a href="#">DIY Lego designs</a> - What one can you make?</li> <li>• DIY <a href="#">Star Wars paper lanterns!</a></li> <li>• Make your own Star Wars themed word search - get someone in your bubble to solve it!</li> </ul> 	<p><b>Doubling Race ... How fast can you double?</b></p> <p>Write out these numbers ... 6, 2, 9, 14, 12, 1, 11, 3, 15, 10, 14, 17, 5, 19, 16, 8, 4, 13, 7, 18, 20.</p> <p>Double the numbers and write the answers as you go.</p> <p>Use a timer to see how long it takes you to get from the start to the finish.</p> <p>Once you have had a go and set a time, challenge someone in your bubble.</p>

Here is the Menu of Learning for Week 3 - 28th April - 1st May.

## Takahē Home Learning Menu

Week 3 28 April - 1 May

Over the next week see how many tasks you can complete to show your teacher on Zoom

<p><b>New Zealand Wildlife!</b></p> <p>Pick a New Zealand animal to research. Learn about its habitat, diet and enemies. Create something (poster, pic collage, powerpoint) to share your information!</p> 	<p><b>Letter to an Author</b></p> <p>Read a story of your choice and write a letter to the author. Think about what you might want to tell the author about their book - maybe your favourite part, or character and why.</p> 	<p><b>Skip count</b></p> <p>Practice skip counting in 2's and 5's Play Buzz with Mum or Dad too and see how high you can get. Remember you say 'Buzz' instead of any 2's or 5's number E.g. 1, 2, 3, 4, BUZZ, 6, 7, 8, 9, BUZZ!</p>	<p><b>Alphabet Scavenger Hunt</b></p> <p>Find things from around your home that start with each letter of the alphabet. Take a photo of what you find accompanied by the letter it begins with. Don't forget to put everything back where you found it.</p>
<p><b>Pop</b></p> <p>This is a fun game to help you learn your basic facts. Write the basic facts onto small pieces of paper, e.g. 5+2. Also write POP onto 3 pieces as well. Fold the paper in half and put them in a container. Roll a dice, this will tell you how many to take. Say the basic fact e.g. 5+2=7, if you are right keep it in front of you unless you are wrong. If you get one that says POP you must put them all back in. The winner is the person with the most at the end.</p>	<p><b>Google 3D animals</b></p> <p>Use a smartphone or tablet to search one of the animals below. Type it into the Google search bar then scroll down to the 'Knowledge Panel', click 'View in 3D' and then 'View in Your Space'. The animal will appear on your screen. Take a picture then write about it! Alligator, Brown Bear, Cheetah, Duck, Eagle, Giant Panda, Hedgehog, Lion, Shark ...</p>	<p><b>What's happening at the zoo?</b></p> <p>Check out these zoo cameras to see what the animals are up to... <a href="https://www.aucklandzoo.co.nz/webcams">https://www.aucklandzoo.co.nz/webcams</a> Can you make an information poster about your favourite animal?</p> 	<p><b>Place value Smiley Face</b></p> <p>1- Write down a number e.g. 1645 and keep it hidden from your buddy 2- draw a grid with thousands, hundreds, tens, ones 3- your buddy asks questions e.g. is there a 4 in the hundreds? 4- if they get it right add the number in. If they get it wrong add to the smiley face. 5- if you draw a smiley face before they guess your number you win. #smiley face = face, 2 eyes, 3 eyelashes each eye, nose, mouth, ears, You can add more.</p>
<p><b>Create a Recipe Book</b></p> <p>Create a book to keep all your favourite recipes in, to share with family and friends! (add pictures, either cut them out of magazines or draw them yourself.)</p> <p>Each recipe will need: ingredients, equipment and method or steps.</p> <p>Then you could add recipes that you really want to make.</p>	<p><b>Riddle Book</b></p> <p>Research some good riddles and see if you can make your own!</p>  <p>Create a book to keep your masterpiece in and share with your family and friends!</p>	<p><b>Make clay handprints</b></p> <p>Ingredients: 1 cup flour ½ cup water 1 cup salt</p> <p>Place ingredients into a bowl and mix together until it makes a dough - like contents. Separate into balls. Roll out a ball so that it is 1.5cm thick. Press your hand into it. Leave to dry and set. Paint as you wish.</p>	<p><b>Origami Poppies</b></p> <p>Make easy Origami poppies for ANZAC day. <a href="https://www.youtube.com/watch?v=iPlnPI2-eHk">https://www.youtube.com/watch?v=iPlnPI2-eHk</a> If you want to set yourself a challenge try this one. <a href="https://www.youtube.com/watch?v=G6i8tV-Q6o4">https://www.youtube.com/watch?v=G6i8tV-Q6o4</a></p>  <p>Last We Forget.</p>
<p><b>Lunchtime</b></p> <p>Write instructions on how to make your favourite sandwich.</p>	<p><b>Sunshine Books</b></p> <p>Logon to Sunshine books at <a href="https://www.sunshineclassics.co.nz/">https://www.sunshineclassics.co.nz/</a> Your teacher will have sent you a logon.</p> 	<p><b>Dream Bedroom</b></p> <p>Design your dream bedroom. Draw your design and explain why you have designed it that way.</p>	<p><b>Obstacle Course</b></p> <p>Create an obstacle course outside and time yourself completing it. Can you or someone else in your family beat your personal best?</p>

Here is the Menu of Learning for Week 2 - 20th -24th April.

## Takahē Home Learning Menu

Over the next week see how many tasks you can complete to show your teacher on Zoom!

<b>Dust Jackets</b> A dust jacket is the cover that goes around a book to protect it. It has the title of the book, the author/illustrator and a picture that relates to the book. Choose a book that you've read to create a dust jacket for! Take a photo of it and send it to your teacher!	<b>Epic!</b> Log into Epic! And read some books (not just videos). Your teacher has assigned some books to you, these will be in your mailbox on epic! 	<b>It's Baking Time!</b> Ask a whānau member at home to help you find a recipe and bake something! Document the process by taking pictures - don't forget to tell your teacher how it tastes!	<b>Where in the World?</b> Choose a country to research, find out about where it is in the world, their flag, languages they speak and any other interesting facts about it! Use the information to create a poster about your country.
<b>Book Report</b> Choose a book you haven't read before. Once you've read it create a poster about the book to share what it's about!	<b>Sight Words</b> Download Reading Eggs Sight Words from the app store (free) and practice your sight words - how many can you get right? 	<b>Illustrator</b> Read a book you've never read before, or your favourite book and draw a picture of the best part of the book. If you can label the picture with keywords. Take a picture and share with your teacher!	<b>Roleplay</b> Once you've read a book, using things from around your house dress up as your favourite character. Take a video of you acting as this character - don't forget your funny voices!
<b>Tell Me Something</b> Write about something you have made during the lockdown, if you could include a photo that would be awesome!	<b>Review Movie/TV show</b> Write a review for something you have watched. Tell us if it was good or bad? Would you recommend it to others? Don't forget to include the title and where others can find it.	<b>Your Family</b> Write about your favourite thing to do with your family. 	<b>Let's Get Physical</b> Go for a walk outside and see how many road or street signs you can read. Create your own sign for your bubble (create a funky name) and put it outside your house!
<b>Boredom Plan</b> What can you do so you don't get bored? Separate into morning, afternoon and evening. Write at least one idea for each time of day.	<b>Thank You Card</b> Make a thank you card to someone. Take a picture of your card before you give it to them.	<b>Questionnaire</b> Think of someone who you have always wanted to meet. They could be famous or not. Write 10-20 questions that you would ask them if you ever got the chance.	<b>Be Productive!</b> Choose a chore in your house and help your whānau out! Take pictures of your hard mahi!
<b>Maths Make Ten with Hands</b> Play with a buddy or a group. The leader holds up some fingers and the first one to make ten gets a point! The first person to get 10 points wins. <b>Now try to answer in Te Reo!</b>	<b>Create a Board Game</b> Create a board game for you and your family to play. Eg. snakes and ladders - you need to answer the question correctly before moving on. Use the basic facts and doubles to 20.	<b>Paper Plane Competition</b> Have a paper plane challenge with your bubble. Agree on a starting point and measure whose plane travels the furthest. 	<b>Basic Facts Bingo</b> On a piece of paper make a grid so you have 6 squares. Write in each square a basic fact to 20. Each player put their answers on a separate piece of paper to put in a container for the caller. <b>Now try it in Te Reo!</b>
<b>Plan an imaginary holiday.</b> Research places to visit and things to do. Make a list of the things you would need to pack.  <a href="https://www.explore.com/">Explore.com.</a>	<b>Let's get MOVING!</b> Join <b>Les Mills Born to Move</b> on TVNZ Channel 1 at 3pm everyday!! Or <b>Cosmic Kids Yoga</b> (follow link) <a href="https://www.cosmickidsyoga.com/">Cosmic Kids Yoga</a> Or <b>Jump Jam</b> (follow link) <a href="https://www.jumpjam.co.uk/">Jump Jam</a>	<b>Letter Box Numbers in Te Reo Maori!</b> Next time you are out walking with your whānau can you say the numbers on the letter boxes in Te Teo Māori? Eg. 7 is - whitu 65 is - ono tekau ma rima 324 is - toru rau, rua tekau ma wha	<b>We're going on a bear Hunt</b> When you go for a walk with your bubble. Make a tally chart of how many bears you see each day. Use this information to make a bar graph or pictogram. What other things can you count and graph?

# Basic Facts Number Knowledge

Facts to 5 Addition	Facts to 5 Subtraction	Facts with 5	Doubles to 10	Facts to 10 Addition
$1+2=3$ $2+1=3$ $1+3=4$ $3+1=4$ $1+4=5$ $4+1=4$ $2+3=5$ $3+2=5$	$3-2=1$ $3-1=2$ $4-1=3$ $4-3=1$ $5-1=4$ $5-4=1$ $5-2=3$ $5-3=2$	$5+1=6$ $2+5=7$ $5+3=8$ $5+4=9$	$1+1=2$ $2+2=4$ $3+3=6$ $4+4=8$ $5+5=10$	$6+1=7$ $6+2=8$ $6+3=9$ $7+1=8$ $7+2=9$ $8+1=9$

## Weekly Timetable

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday / Sunday

## Takahē Team learning at home UNPLUGGED ideas:

*Any of these activities are great learning experiences that children can then write about.*

- Learn how to tie shoelaces
- Cooking/Baking - learning how to follow a recipe
- Make a meal plan and grocery list - learn about what a budget is
- Learn how to tell the time
- Learn how to look after the house - help with cleaning, washing etc.
- Read (ask questions about what they're reading, read together, make predictions, discuss why characters behave the way they do)
- Write (keep a journal, keep a gratitude list, write instructions for something, write alternative endings to favourite stories or movies, write a story, keep a book of facts)
- Be physical (do yoga, play tiggy, play netball/soccer, shoot hoops)
- Build fine motor skills (draw, knit, colour, crochet, cross stitch, sew, weave)
- Go outside - go for a walk, bike ride etc.
- Talk about dreams and hopes etc.
- Learn how to timetable and write own daily learning plans and activities
- Write/create thank you letters or cards to your grandparents, whānau members, parents etc.
- Make play-dough - practice numbers, letters, make cakes, meals etc. [Recipe](#)
- Make and play with bubbles [Recipe](#)
- Animal charades- Put the names of different animals on small pieces of paper
- Indoor camping - make a tent
- Build a fort / hut using chairs, blankets, tables etc.
- Make an obstacle course
- Movie marathon
- Science experiences
- Draw pictures of what you can see out the window, make a map, draw a plan of your house
- Balloon Volleyball
- Play hide and seek
- Play dress Ups/have a fashion show
- Paint
- Create a sensory box
- Make a thankful jar
- Learn how to make a grocery list
- Learning how to knit/cross-stitch
- Write letters to others / make a card / a diary / gratitude journal
- Make or do a puzzle
- Interview parents about their childhood/job
- Call / video call family members e.g. grandparents - ask questions about when they were young, sing them a song / do a dance
- Maths - this link has some fantastic non-digital maths experiences - <https://nzmaths.co.nz/maths-our-house>

# Activities you can do at home

What can you do when there's no school and you're stuck at home?  
Here are 16 fun things to choose from!

<b>1</b>  <p>Read a book to yourself, a toy, your siblings or parents! Record the name of your book on your recording sheet</p>	<b>2</b>  <p>Get building! Use cards, blocks, toys, lego or something else to create or build something!</p>	<b>3</b>  <p>Get creative! Use paper, crafts, pens, pencils and draw or create something! The sky is the limit - show off your creative talent</p>	<b>4</b>  <p>Explore your back or front yard looking for insects. What did you find? Draw a picture of the insects you were able to see.</p>
<b>5</b>  <p>Build a reading fort using sheets or blankets in your house. Bring in your toys and read or play in there.</p>	<b>6</b>  <p>Turn on some music and create a dance! Share this with your family members in a mini show.</p>	<b>7</b>  <p>Write a letter to your teacher sharing some of things you have done at home. Remember to add some pictures!</p>	<b>8</b>  <p>Do some chores. Write a list of 3 jobs you will do at home on a day. Get those done so you can help mum and dad out.</p>
<b>9</b>  <p>Take some photos of the landscape around your house. What does your house look like? What plants do you have?</p>	<b>10</b>  <p>Design And make your own game! Create your own game board, pieces, rules and play it with your family.</p>	<b>11</b>  <p>Complete some research on something that interests you. Ask Siri some questions to find out 4 facts and record it on the sheet.</p>	<b>12</b>  <p>Create a treasure map of hidden things around your house with 'X' marking the spot. Give it to a family member to use.</p>
<b>13</b>  <p>Read a book to yourself, a toy, your siblings or parents! Record the name of your book on your recording sheet</p>	<b>14</b>  <p>Write 10 key words from around your house. Make them with the playdough and take a photo of your creation.</p>	<b>15</b>  <p>Create a toy puppet out of an old sock. Add on some eyes, clothes and hair using things from your home.</p>	<b>16</b>  <p>Make a meal with your family. Find the ingredients, cook it together and write instructions on what you did.</p>

If you want to, share a photo of your activities on Seesaw. Use the photo tool to take a photo of what you have done!
