Kia Ora GEPS Whānau

Nau mai haere mai Misha

We are now hurtling towards the end of the year and still have LOADS of exciting things ahead. There is still plenty of learning happening, and teaching and learning programmes will continue till the end of the year too.

Thanks so much to our community for your amazing fundraising efforts. We absolutely appreciate every single dollar and look forward to putting that money back into our kura for the tamariki. I half hoped we would not reach the target but had to stick by my word and entered the slime pit with Mrs Fakalata and Mr Balthrop-Lee yesterday because we have raised over \$15K! The fundraising part closes on Friday which is when the prize portal will open.

Please note that we have postponed the colour run to Monday 24 November. More details will be sent home later this week.

Many of you will have seen the news items about kinetic sand. We have two spaces in our school that had some of this in it, neither are full time classrooms. The sand has been taken for testing and both spaces have been closed until we get results. We have followed all MOE guidelines and precautions.

Last week Kiwi team had a wonderful time at Kiwi Valley Farm. We had such an awesome whānau turn out. Thanks to Mrs Bergs and the Kiwi teachers for organising this trip and to all of the people who came and helped out.

On Friday all of our older students got to experience athletics at The Trusts Stadium. It was such a neat day with lots of fun, chanting and games combined with some keen competitive spirit. Thanks to Mr Shouaib for all of the work it took to put the event together and to all of the helpers who monitored groups, stations, events and joined in on the fun. We really love giving our students opportunities - in the case of athletics it may be one of the only times they get to experience running on a real track.

For those of you who are planning to attend, prizegiving is on Friday 12 December at 11am. You will be notified earlier if your child will be receiving a prize and/or a certificate this year.
